Everyone's Baseball

What is Universal Baseball?

★
A baseball field invented by Horie Corporation, where individuals with or without disabilities can enjoy the experience equally. The stadium is 1/20th the size of a real baseball field and is filled with unique ideas and technology, including a ball platform utilizing a rotating platform and balls with a diameter of about 10 cm.

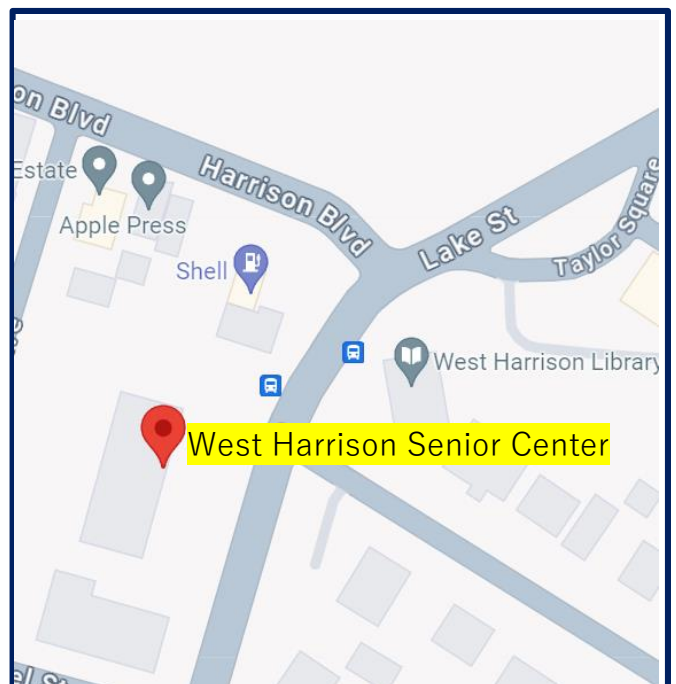

▲ Stadium and bat equipment for use in universal baseball

★...A company engaged in the maintenance and modification of railway vehicles (headquartered in Chiyoda, Tokyo), actively involved in supporting individuals with disabilities since 2014.
